NALBOH 2017 CONFERENCE • CLEVELAND, OH

Celebrating Innovations in Board Governance: the Past, Present and Future

This year's theme is "Celebrating Innovations in Board Governance: the Past, Present and Future." Conference activities will provide attendees with information, skills, and resources focused on the six functions of public health governance. The conference will also provide time for attendees to learn about and share information on critical public health issues. All sessions will touch on at least one of the six functions of governance. NALBOH is also pleased to be celebrating 25 years of improving board governance in 2017. Don't miss this conference!

Conference Objectives:

- Demonstrate best practices used in public health and their relationship to the Six Functions of Public Health Governance.
- Examine successful experiences and actions using the Six Functions of Public Health Governance.
- Integrate the Six Functions of Governance within the Public Health System.
- Identify advocacy and leadership roles in board of health successes.

Intended Audience

The program is designed for board of health members, health directors/officers, local health department staff, as well as all public health professionals from the local, state and national level.
