After signing into your account you will find many options under the heading **My Profile** that allow you to personalize your online account with NALBOH.

Below is a list of items that you can manage:

Edit Your Online Profile - navigate to Manage Profile and click on Edit Bio.

Control Emails Received - click on Manage Profile and then Preferences. If you uncheck a box, you will no longer receive those notifications.

View Groups: If you are part of a board member group or a committee, you will find all groups that you belong to under Manage Profile and by clicking on Groups.

Edit My Member Profile

Below is the information you provided during the registration process.

Please Note: All information entered below will be visible to site administrators. Registered members will be able to view any information you enter, unless you set the visibility selector to **Private (not visible in profile)** next to the field you wish to be hidden. If your email address is **Private (not visible in profile)** it will not be displayed, but members can still contact you via email through the site's group email system if permitted by the group administrator. For a publicly accessible member type, site visitors will be able to view any field whose visibility is set as **Public (Visible to Everyone)**. To restrict fields to only registered members set the visibility for the field to **Member Only (Visible Only to Members)**.
