

Specialist Certificate Tracking Form for Residential Organizing

Ready to dive deeper into the residential world of organizing? The Residential Organizing track will strengthen your foundation in residential organizing by means of three basic class divisions. Choosing classes from each division will equip the residential organizer with a well-rounded diversity of knowledge:

To earn the NAPO Specialist Certificate in Residential Organizing, you must complete a minimum of eight (8) classes in the following:

Completion of (2) Two Core Classes

The Core classes focus on factors affecting the development and management of your business.

Upon completion of your 8 classes, log on to NAPO University and apply here: <https://www.pathlms.com/napo/courses/2795>

Class Type: L = Live Webinar / OD = On Demand / CR = Conference Recording

* If you are a member of a NAPO chapter who has purchased the Conference Records then you will be automatically granted access to these recordings at no cost. If a class was taken at conference, your cost would be zero.

** The cost of coursework for each certificate begins around \$350. If you are interested in earning both NAPO Specialist Certificates (Residential Organizing and Workplace Productivity) we suggest you review the benefits of the Passion for Learning Bundle priced at \$475.

*** These classes are listed in both the Workplace Productivity and Residential Organizing NAPO Specialist Certificates course options. Up to two classes may be applied to both the Workplace Productivity and Residential Organizing tracks.
