

NOMINATION
SAMPE GEORGE LUBIN MEMORIAL AWARD

This award is given in honor of George Lubin (1913-1984), who was a "giant" in the plastics industry. From the time he graduated from the City College of New York (1936), George was an innovator, educator, author, international consultant and lecturer who always searched for ways to do things better ... and succeeded.

**GUIDELINES
SAMPE GEORGE LUBIN AWARD SELECTION**

A. Rating and Weighing System

	Ranking and Weighing System Evaluation Criteria	Point Value
1	Nominee's stature within the M&P field <i>Evaluate on basis of national or international reputation, degree of accepted expertise, etc.</i>	20
2	Significance of achievement(s) from a technological sense <i>Evaluate in comparison to sole invention or breakthrough of technological importance, e.g. development of graphite fiber</i>	30
3	Effect (impact) of achievement(s) upon the materials and processes profession <i>Determine if nominee's accomplishments had a lasting and significant impact upon the materials and processes profession, e.g., effective professorship at materials research department at major university or directorship of Government/industry laboratory</i>	30
4	Significance of professional honors and awards <i>Evaluate overall importance of awards received by nominee. Do the awards represent recognition by professional peers, e.g., IR-100 award, etc.?</i>	10
5	Quantity and quality of publications, presentations, patents, etc. <i>Examine scope and professional significance of patents, presentations, publications, etc.</i>	10
	Total	100

B. Selection Methodology

1. Each nominee shall be evaluated individually and given a numerical point rating (100 = maximum) by each member of the selection committee, based solely on information provided in the nomination form.
2. The selection committee members shall convene at a meeting, or telephone conference call, to discuss their results and determine whether or not to select one of the nominees for the Lubin Award. Only a simple majority vote from the selection committee for acceptance of a nominee is necessary.
