

**NOMINATION FORM  
THE SAMPE DELMONTE AWARD FOR EXCELLENCE**

The award committee is continuously soliciting nominations for the Delmonte Award for Excellence. This award will be presented at a SAMPE International Conference.

**Deadline for Submitting Nominations is January 15 of each year**

Nominations may be submitted by members of the Society. A nominee's primary qualification must be an outstanding contribution to the field of materials and processes. This includes areas of engineering, science, research and production.

The SAMPE Delmonte Award for Excellence was initiated by John Delmonte in 1981. It is intended to achieve the following objectives:

- To stimulate and encourage outstanding contributions in the field of materials and processes throughout the world by young emerging engineers.
- To acknowledge achievements by honoring distinguished individuals or teams in the field of materials and processes.
- To disseminate these technical achievements among the members of the materials and processes community.
