**SAMPE International University Leadership Experience Award Application**  
**SAMPE 2018 • Long Beach, California**

The SAMPE International University Leadership Experience Award sends student leaders to the SAMPE North America technical conference and exhibition to network with peers and industry professionals and increase their understanding of the materials and processes community.

The criteria for this award are as follows. The student must:

- Be a SAMPE student member who has not won this award. Applicants may be an award winner in only one SAMPE student program for SAMPE 2018 Long Beach (one student program per participant).
- Be an upper division or graduate student that will return to campus the following year for studies in an advanced materials curriculum.
- Have demonstrated leadership.
- Must attend the complete conference and all scheduled activities (welcome dinner, career presentation and tour), no exceptions. You will not be excused from any scheduled activity to present a paper or attend another SAMPE activity (i.e. bridge building). If you cannot attend all the scheduled activities, please do not apply. Be available to attend SAMPE 2018 Long Beach with your arrival on Sunday, May 20 and departure on Friday, May 25, 2018 (five nights).
- Airfare costs are limited for non-US students to \$600 USD.
- Complete an evaluation form.
