**Community Solutions, Inc.**

**Therapist - Multisystemic Therapy (MST), FT**

Decatur, GA / Stone Mountain, GA

**Job Description**

A highly successful program needs a Therapist!

Community Solutions, Inc. is a non-profit agency providing an evidenced based family therapy program. Our agency is seeking a therapist to join our MST team servicing DeKalb County. Master's degree preferred with at least two years clinical experience. Bachelor's degree candidates will be considered based on experience. Spanish speaking therapists are encouraged to apply.

Multisystemic Therapy (MST) is a highly researched, community based program with many years of successful outcomes. Community Solutions (CSI) is one of the largest national licensed provider of Multisystemic Therapy. CSI has seen success with MST for over 15 years, expanding into 5 states. CSI came to PA thirteen years ago and has seen continuous success and growth, now servicing 12 counties.

MST has been researched to effectively change the behaviors of adolescents and in turn create hope for juveniles struggling in the juvenile justice and child welfare system. This position allows therapists to work with the multiple systems of the child and create their own treatment plans on a weekly basis. This model gives the therapist the ability to work within the natural ecology of the youth and in turn create long lasting change for the family. The MST therapist has the flexibility of wearing a variety of hats, and truly allows the family to guide the direction of treatment.

MST provides intensive training and supervision to ensure the best outcomes. This program is the epitome of team work. Therapist work individually with families, but have the support of their entire team.

**GENERAL FUNCTION:**

Provide community based treatment for youth and family with complex clinical, social and educational problems. Over a period of 4 - 6 months services are delivered in homes, neighborhoods, schools and communities. Emphasis is on promoting behavioral change in the youth's natural environment. Family interventions seek to promote the parent's capacity to monitor and discipline the adolescent. Initial family sessions identify the strengths and weaknesses of the youth, his family, peers, school, and other factors. Problems throughout the family are explicitly identified for change, and the strengths of each system are used to facilitate such change.

Full Time with on-call responsibilities

**DUTIES**

**A. Client Services**

Mediate and resolve family problems and handle all emergency situations in a calm manner in accordance with Agency policies and procedures as needed.

Serve as positive role model following program guidelines for professional conduct and code of ethics

Develop and maintain professional boundaries and relations with clients.

Monitor client behavior and implement Agency behavior management procedures as needed.

**B. Program Services/Administration**

Possess knowledge of and adherence to standards of confidentiality, and if applicable Department of Public Health and Addiction Services regulations, Title XIX, CHAMPUS, Medicare/Medicaid and Managed Care requirements that pertain to Agency programs and client. Provide directions for staff related to mental health issues as requested.

Complete incident reports as required

Establish and maintain positive relationships with colleagues, external agencies, community resources and funding sources.

Conduct program specific assessment including review of referral information, identifying and engaging key participants, identifying systemic strengths and weaknesses, and developing an analysis of the fit of problem behaviors within the ecological context.

Engage primary caregiver and other key participants in active change-oriented treatment by identifying and overcoming barriers to engagement.

Implement a problem conceptualization, treatment planning, intervention implementation, outcome review and strategy revision procedure using the program specific Analytic Process.

Maintain clear and concise documentation of treatment efforts that promote peer and supervisory review and feedback, and that demonstrate compliance with program specific Principles and the program specific Analytic Process.

Collaborate with all relevant systems and key participants within each system to ensure their buy-in and cooperation throughout treatment.

Provide direct clinical treatment using methods compatible with program specific principles and practices.

Attend weekly clinical supervision and clinical consultation.

Carry cell phone and participate in 24/7 on-call system.

Complete data for program Client Management System.

Expected to complete over 75% of cases with 75% of goals met.

### C. Security & Client Supervision

Recommend program terminations and coordinate in accordance with Agency and referral source policies.

Ensure collection of urine samples and complete related paperwork and breathalyzer testing as required by contract.

### D. Professional Growth & Development

Complete a Therapist/Counselor Field Visit Before and After form and attend one home visit with Program Director per month.

Provide Program Director with one audiotape of a home visit per month and a Therapist/Counselor Tape Review Drop-off form for review.

Increase treatment responsibilities as determined necessary for program needs and as qualified to do so by the Program or Clinical Supervisor.

Maintain a working knowledge of and abide by the Agency's programs, policies, and procedures.

Perform other duties as assigned by the supervisor

### **QUALIFICATIONS**

A Master's degree in Social Services or related field, plus two (2) years of work experience in social work or clinical treatment.

Social Work or other clinical license is preferred.

Preferred Experience:

- Direct use of pragmatic (i.e. structural, strategic and functional) family therapies
- Individual therapy with children and adults using cognitive behavioral techniques
- Marital therapy using behaviorally-based approaches
- Behavioral therapy targeting school behavior and academic performance
- Implementation of interventions within or between systems in the youth's natural ecology that affect or influence the behavior of youth (i.e. family, peer, school, and neighborhood)

Santa Maria is a city in Santa Barbara County, on the Central Coast of California. Santa Maria is conveniently located 75 miles north of Santa Barbara, 170 miles north of Los Angeles and 270 miles south of San Francisco at the intersection of California State Highway 101 and Highway 166. Santa Maria's population in the 2010 census was 99,553, making it the largest city in Santa Barbara County. The estimated population of the area is about 161,227, which includes the Santa Maria Valley, the city of Guadalupe and the township of Orcutt as well as adjacent Nipomo. The city is notable for its wine industry and Santa Maria Style "Tri-Tip" Barbecue.

Just 12 miles from the Pacific coastline, Santa Maria enjoys a smog-free climate with mild temperatures throughout the year. Ocean breezes cool the valley in the summer and exert a warm influence in winter. Hazy morning fog is prominent in the summer months.

The City of Santa Maria is a regional trading, manufacturing and service center. The area's stable economic base includes agriculture, transportation, oil, tourism, electronic manufacturing, and the government installation at nearby Vandenberg Air Force Base. With more than 4,700 people in its work force, Vandenberg is one of the area's largest employers.

In 1998, Santa Maria won the coveted All-America City Award from the National Civic League. The award honors community collaboration in solving problems and making the city a better place to live and work.

Santa Maria and its surrounding area is a rapidly growing community. The average sale price for homes starts at about \$308,000. Those interested in renting can expect to pay \$900 to \$1,500 for one and two-bedroom unfurnished apartments or duplexes. Two and three-bedroom houses range between \$1,300 and \$2,000. The average cost of utilities for a typical house would be approximately \$300 per month. (posted 6/13)
