BUILDING YOUR DREAM PRIVATE PRACTICE

By attending this fun and creative workshop, you will learn marketing techniques and business-building skills you can apply now. You will energize your work and develop a plan for success. You will learn how to network, get involved with professional organizations, partner with Managed Care Organizations and EAP’s and effectively build relationships in order to create the practice of your dreams. You will leave with a clear understanding of your business vision and how to market what you do best as a therapist to build a successful private practice.
