Thomasville awarded grant to update outdoor spaces and increase healthy activity

**Thomasville, N.C.** – Thomasville Parks & Recreation recently received a grant to transform a public area into an imaginative space for families to play and be active outdoors. Blue Cross and Blue Shield of North Carolina (BCBSNC) and the North Carolina Recreation and Park Association (NCRPA) are supporting healthier communities by installing PlayPrints across the state.

PlayPrints are ground markings, or colorful shapes and games that are painted on existing pavement. The bright colors and interactive designs are meant to encourage visitors to take part in more physical activity. Community agencies across North Carolina were invited to apply.

“Receiving a PlayPrints grant at Memorial Park is a helpful step as we continue to grow healthy and active opportunities in our community”, said Cory Tobin, Program Director. “Park visitors will have new creative ways to engage with our public space and have fun participating in physical activity outdoors.”

Memorial Park currently has a playground, pool, picnic shelters, a community garden and open space which are used by local visitors from the public, are day cares, after school program and summer camps. Adding PlayPrints will offer another feature for visitors of all ages to use in a variety of physical activities.

“We want to promote healthy habits at an early age and make it fun for North Carolinians to get outside and get active with their families,” said Kathy Higgins, vice president of corporate affairs at Blue Cross and Blue Shield of North Carolina. “PlayPrints are a simple way to take existing outdoor spaces in our communities and transform them into a center for healthy activity and imaginative play.”

Over the next two years, PlayPrints will be popping up at open play spaces as part of BCBSNC’s Get Outside North Carolina! (GO NC!) program. Go NC! builds healthy and active lifestyles through the advancement of greenway systems, increased access to public bicycles and the overall promotion of outdoor physical activity.

“Providing fun and creative avenues to engage our communities by adding PlayPrints to our parks and greenways is an exciting way to encourage citizens of all ages to have a little fun while increasing physical activity,” said Michelle Wells, executive director at NCRPA.

For a complete list of PlayPrints recipients and to follow progress as PlayPrints are installed throughout the state visit [www.NCRPA.net/PlayPrints](http://www.NCRPA.net/PlayPrints) or follow @NCRPA @BCBSNC or #PlayPrints on Twitter and Facebook.
