

Join us, and let your voice be heard!

Your input matters!

Calling all Fire & EMS personnel, EMS Coordinators, and Medical Directors!

The Division of Fire Standards and Training & EMS wants to know what you're thinking about the job we are doing and how we can better serve you as we move towards the future.

**Come to an informal "Town Meeting" in your area!
See the attached schedule...**

- ◆ These meetings are being held as part of Director Deborah A. Pendergast's vision to improve outreach and gain feedback from the Division's customers.
- ◆ Chief Nick Mercuri wants to hear firsthand from you what the Division is doing well and what needs to be improved. He will also share the results of the Fire and EMS surveys that were sent out this spring.
- ◆ This will be your opportunity to let him know what issues are affecting your organization and what you think the Division can do to help your organization achieve its mission.

No registration necessary!
