Most frequent ...

Most frequent resources accessed:
- Unified Facilities Criteria
- Design Guides (by agency)
- Unified Facilities Guide Specifications (UFGS)
- CAD standards (by agency)

Most frequent agency program reference use
1. NAVFAC
2. AFCEC
3. USACE
4. DOS
5. AOUSC

(WBDG listed as a reference source in multiple federal RFP's)
Emerging Professionals
- Overview text
- Embedded links to WBDG cross references
- General design pages
- Continuing Education

Consulting Professionals
- Federal Mandates
- Agency links
- Federal Regulations
- General design pages

Technical Professionals
- References
- Codes
- Agency links
- Specific design/technical pages (Cx, BIM, etc)

Overview of “likes”

WBDG General Benefits
- Documents organized by federal agency and topic
- Organized electronic document libraries
- Web-based format with searchable information

WBDG A VALUABLE RESOURCE FOR A/E FIRMS

Overview of "likes"

WBDG Beneficial Features

- Continuous updates on the Home Page
- RSS feeds for update notification
- Searchable throughout the WBDG
- Organized by both topic and agency
- Embedded links for additional information
- Application tools

DESCRIPTION

A. Checklists

Access with Disabilities and ADHS Checklist for Health Care Facilities Survey Report

The "A/D Checklist for Health Care Facilities Survey Report" helps consumers find sites that meet accessibility requirements, reducing potential barriers. It is similar to the universal design guidelines under the ADA. The goal of the survey process is to ensure that the existing buildings are made as accessible as possible for people with disabilities.

The checklist was created to provide guidance on accessibility requirements for the Planning and Design of Public and Commercial Facilities. To be compliant with the 2010 ADA Standards for Accessible Design (28CFR 36.301), the checklist can be used in conjunction with the checklist to ensure accessibility.

Most valuable resource uses for the WBDG by A/E firm users
Top 5 awesome resources

#1 – Construction Criteria Base pages

- Organized by Agency, so design teams can focus on their specific criteria
- Multiple agencies for comparisons

#2 – Agency Links

- CAD standards
- Documents Library
- Tools
- Agencies

- Department of Defense (DOD)
- Department of Energy (DOE)
- Environmental Protection Agency (EPA)
- Administrative Office of the United States Courts (OJUSC)
- Department of State (DOS)
- National Park Service (NPS)

- General Services Administration (GSA)
- Department of Veterans Affairs (VA)
- National Aeronautics and Space Administration (NASA)
- Department of Homeland Security (DHS)
- National Institutes of Health (NIH)
- Smithsonian Institution
Top 5 awesome resources

Tools

- Organized by category – highly used by the LEED documentation and design teams

# 3 - Web-based Education

- Extensive federal training directly applicable to project work
- AIA and GBCI credits
- Federal Energy Management Program (FEMP) courses
Top 5 awesome resources

#4 – Sustainability and High Performance Buildings
- General Information
- Tools
- Reference Standards
- Case Studies

Sustainable and High Performance Buildings

Federal High Performance and Sustainable Buildings

A VALUABLE RESOURCE FOR A/E FIRMS

Top 5 awesome resources

#5 - Specifications Library
- UFGS
- NAVFAC
- DOE
- VA

CONSTRUCTION CRITERIA BASE
- Specifications Library
  - United Facilities Guide Specifications (UFGS)
  - NAVFAC Specifications
  - VA Specifications
- Federal Green Construction Guide for Specifiers
- DOE General Design Criteria
- NIBS Specifications
- Regulatory Library
- Standards Library
- Documents Library
- CAD Library
- Tools Library

- United Facilities Guide Specifications (UFGS)
- NAVFAC Specifications
  - UFGS, NAVFAC Regional Specifications and PPV Graphics
  - Regional Specifications
  - Project Information Form
  - Specifications Coordination Form
  - Specifications Cover Sheet
- NAVFAC Atlantic's Spanish Sample Specifications Database
- NAVFAC Atlantic's Italian Guide Specifications Database
- NAVFAC Standard Specifications
- VA Specifications
  - VA Master Specifications (PS-18-1)
  - VA National Carpers Administration (NCA) Master Specifications
- Federal Green Construction Guide for Specifiers
- DOE General Design Criteria
- NIBS Specifications
