

Help Us Build the New Jersey Hospice Foundation Hospice House of Giving

Construction Financing provided by Access 2 Care

The New Jersey Hospice Foundation (a division of the New Jersey Hospice and Palliative Care Organization) raises funds exclusively to **educate consumers about hospice care** and to **make physicians more aware** of the great value hospice care brings to their patients and their families.

Show your support of our educational outreach by buying a roof tile (\$250, \$500 or \$1,000) or a wall brick (\$100) in our Hospice House of Giving.

A tile or brick on the House makes a touching gift in memory of a loved one.

A tile or brick can honor:

- a colleague
- a caregiving friend
- a company
- an organization
- an institution
- a hospice program

All “In memory of” and “in honor of” bricks and tiles are acknowledged to whomever you designate.

The House debuted at the 2012 NJHPCO annual conference.. It will be on display — with your brick or tile — at the NJHPCO Office, at all 2013 conferences, seminars, major meetings and the Spirit of Hospice Awards Dinner.

Less than 40% of dying people elect hospice care.
Half of those are in hospice for two weeks or less.
Half of those are in hospice for seven days or less.
Why don't more people choose the extra caregiving services of hospice when they're dying?
And why so late?
Because no one wants to talk about it.
