The engine behind successful small law firms-

With ever increasing pressure on fees, to be profitable it is more important than ever that you get through your work in an efficient manner. Smokeball software will help you get more work done every day with clever document automation and all the court forms you need built into the system. We will help you work together better as Smokeball manages all your emails, memos, and documents centrally so everyone in your team can find anything in seconds.

And because Smokeball is cloud-based you can work literally from anywhere with access to the same information as if you were sitting next to someone in your office! We also spend a considerable amount of time training you how to use the software - we hold your hand until you are seeing the productivity benefits we expect. There is a better way – you will get more work done, be organized and on top of things, and will be able to service your clients better. Call us at (855) 668-3206 or visit www.smokeball.com.

Affordable insurance plans for solo practitioners and smaller firms

Professional liability insurance-

Protexure Lawyers is a professional liability program designed to meet the needs of small law firms. We tailor our professional liability insurance policies towards the unique needs of solo practitioners and small firms. If your professional liability insurance isn't specifically designed for solo and small firms, you're paying for big-firm liability risks. With Protexure Lawyers large firms are specifically excluded from the program to keep premiums low.

Protexure Lawyers Advantages offers:

- · Easy renewal process
- · Competitive Premiums with no hidden fees
- · Quick response time
- · Comprehensive policy wording
- · Local claims counsel nationwide
- · Underwritten by Crum & Forster rated A (Excellent) by A.M. Best

Protexure Lawyers provides the same broad coverage you expect at a very competitive rate. How? We do this by only insuring small, low risk firms which keeps our claim expenses low. To receive a complimentary quote from Protexure Lawyers visit www.protexurelawyers.com or call us at 877-569-4111 to speak to a licensed professional.

Better service for your client's pharmacy needs—

IWP is a national pharmacy service working on behalf of injured individuals. As an advocate for those who have been injured, IWP takes the financial burden out of the medication process by shipping medications directly to the patient and collecting payment from the insurance company. There are minimal out-of-pocket

expenses for the patient, physician or attorney on approved claims (deductible or co-payment may apply depending on your policy). We help reduce the time and energy spent on prescriptions and paperwork, while making sure injured individuals receive the continuous care they deserve. To learn more contact us at 888-321-7945 or visit www.iwppharmacy.com

Affordable and experienced process server-

When you need a paper served, you need it done right and on time. At Target Service, we are dedicated to prompt and effective service of process. We truly believe that we offer the best service in the Chicagoland area. We work in Cook, DuPage, Lake, McHenry and Kane counties.

Target Service was formed in 1990 by Jeff Mills, a graduate of the John Marshall Law School. While working for a law firm as a paralegal, he realized a need for a process server who knew the legal requirements for service of various forms of process and who was competent in getting papers served. He began to serve papers part time and found that he was perfectly suited to the job. If you are not 100% satisfied with your current service, you owe it to yourself to give us a call. We prove our value and quality of service with every client we help. Please give us a call today at (630) 736-8409 or check out our website at www.targetsvc.com.

Banking relationships that serve the needs of NWSBA attorneys

Established in 1882 as Harris Bank, and owned by BMO Financial Group (TSX, NYSE: BMO) since 1984, BMO Harris Bank has grown to become one of the largest banks in the Midwest serving personal, commercial and affluent customers. We focus on building relationships with a vision to be the bank that defines great customer experience — building that reputation with new customers and deepening it with existing customers. We're building our presence and making it easier for attorneys and their clients to do business with us through an integrated network of branches, mobile banking, online banking and ATMs, along with the expertise of our mortgage specialists, commercial bankers and financial planners. We help our customers make money and by delivering the broadest range of financial services.

We are proud to support the NWSBA in their mission.
