Willamette Chapter – Established 1933

WILLAMETTE CHAPTER

*2016 Annual Plant Sale
at Oregon AgFest
April 23 - 8:30am-5pm
April 24 - 10am-5pm*

Our success at raising money for our Chapter Educational Fund begins with your generous donation of fabulous plant material. We are dependent on your support in this program. Your Chapter board members will staff the booth again this year, though we welcome anyone wishing to volunteer his time to answer plant questions and facilitate plant sales.

We have found that blooming plants move the best, though all plants are needed and welcome. Please label all plants with cultivar and nursery info so we can mark product correctly and help customers make decisions at the booth. Please make sure to send an itemized list of your donation so we know your support.

Thank you for your generous donations of beautiful plants and your valuable time!

We will donate plants and deliver them on April 22nd to:

_____ **Alpha Nursery by 10am** **or** _____ **Fairgrounds between noon - 2pm**

_____ **Nursery & Contact Name**

_____ **Phone Number/Email**

I'll volunteer at the sale!

_____ **Names, Days and Times**

_____ **Phone Number/Email**

*Please scan and email your response by April 14th to Val Tancredi @ valytan@gmail.com.
Call 503-585-1765 if you have any questions. Thank you for your support!*
