Purpose

The value of “rules conscious” employees is a more carefully manufactured product, a more profitable yield from the log, and a better sense of the value of the lumber being handled. This workshop will include a thorough study and explanation of the NHLA Rules Book, emphasizing the basics of hardwood lumber inspection.

This popular workshop gives yardmen, sawyers, edgermen, sales, office staff and management level personnel an introduction to lumber inspection. Classes will begin at 8:00 am and end at 4:30 pm.

Instructor

Courses will be taught by Tom Byers and Benji Richards, NHLA National Inspectors.
