## Our Nurse's Week Celebration

Last month we celebrated Nurse's Week, May 6–12. Gift baskets were put together that included snacks and goodies then delivered to each unit to

share. Additionally, our ONA/BAH team rounded for several days and shifts, with a snack cart and delivered bags of coffee.

Thank you to Michael Morgan and all those that helped make these Nurse's Week events possible for our nurses!

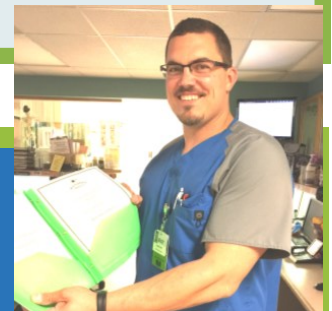

*Gift baskets were delivered to each unit.*

*We also had our amazing raffle again and were able to give away over 55 fantastic prizes, with the help of our community sponsors!*

*Winners of each prize listed in the ONA shadow box, first floor near employee elevators.*

## Where Can I Find Our New Contract?

Our new collective bargaining agreement (CBA) was ratified April 4. It has taken quite a bit of time to work with the hospital to correct and finalize the final draft for signing and printing. We are in the process of formatting the CBA for print. As soon as it is ready, it will be available online and the printed copies distributed. [Click here](#) to access the redline version with all the changes or go to [www.OregonRN.org](http://www.OregonRN.org) and select Bay Area Hospital under Find Your Bargaining Unit.

**Be aware that the language of this contract became effective the date of ratification and is currently in effect.** Stay tuned for educational sessions on our new CBA and other topics such as: when and how to file a staffing request and documentation form (SRDF), the new [Oregon Nurse Staffing Law](#) and other topics members have asked for. Your executive team looks forward to helping you educate yourself and stay up to date and current on your contract as well as safe nursing practice.
