

## Annual CA#3 meeting minutes

March 7, 2016

This yearly meeting was held at Chemeketa College. The program was presented by SANE nurse, Robin Olafson. Robin has been a SANE nurse since 2005 and certified since 2005. Robin joined the SATF in February 2012. She graduated from OHSU in 1999. Robin has spent most of her working career in EDs. She works at Providence St. Vincent Medical Center and has also worked in Redmond, Bend, and Medford. Her most recent focus has been on peer education surrounding the issues of commercial sex trafficking of minors. Robin is an active member of the state SANE/SAE certification commission.

Robin gave a 45-minute talk on SANE nursing and answered questions. Thank you so much, Robin for presenting at our annual meeting. We really appreciated it.

The meeting started at 6 p.m. with salad and soup. It was prepared by the Chemeketa college hospitality program. It was very tasty. CA 3 funded the cost of the meal.

We had a sign up list of the attendees. The board, Jeanna Thurston, Virginia Smith, Aaren Brown, and Norma O'Mara attended. Amber Gambel and Kay Carnegie were not present.

We discussed the delegates that would be going to the ONA convention in Seaside. They are Virginia Smith, Aaren Brown, Kay Carnegie, Norma O'Mara, Jeanna Thurston, Amber Miller Gambel, and Allison Seymour.

Our CA is paying for registration for the three days of convention, four rooms for the three days of the convention, and \$50.00 stipend each for gas and food. We voted on the funds that would be allocated for the convention.
