12. What community issues should the association be addressing?

Prevent Homelessness in our area

13. In your opinion, what are the greatest challenges facing the industry today that ORRA should address?

Online Misinformation real estate information is abundantly available but not always accurate, (for ex. Zestimates are not CMA's) We need to protect our MLS data and inform the public of the differences between Zillow, Trulia, MLS and the advantage of working with a Realtor

14. What is your position on the issues of property taxes, insurance, and private property rights?

Property taxes and insurance are both a necessary evil and of course we should pay as less as possible for it. The right to own Private property should be available to all citizens.

15. If elected, what would you like to have accomplished by the end of your term?

Lower membership fees, lower fees in general, with membership growing and good management we should be able to offer even better service for less.

16. You will be expected and/or required to attend the following meetings and functions listed below. Will you make this commitment?

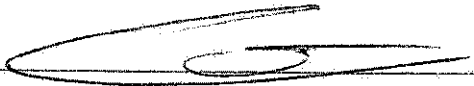

Yes

No (If no, explain)

-
- a. Monthly ORRA Board of Directors meetings – one per month, plus preparation and reading time.
 - b. Special board meetings - Although rare, can occur on short notice and can run two to three hours.
 - c. Grievance/ethics/arbitration appeal panels – two to four occurrences, each running about one hour.
 - d. Membership meetings and events – multiple Membership luncheons and events, one inaugural event, Great American REALTOR® Days visit to Tallahassee, one awards event, RPAC Auction
 - e. State association meetings – one three-day meeting in January and one three-day meeting in August. These meetings are especially important if you are appointed a state director.
 - f. Various meetings – committees, task forces, work groups, etc.
 - g. Planning and training sessions (required) – one annual leadership training session and one strategic planning retreat (if held).
 - h. Community commitment (the Chamber's Hob Nob, zoning meetings, etc.)

To my knowledge, the above information is true, correct, and complete.
