

DENTAL INFECTION CONTROL
AWARENESS MONTH | **SEPTEMBER**

WE'RE SERIOUS ABOUT SAFETY.

Ask us about our infection
control program.

Join the conversation #DICAM2017

This resource was prepared by clinicians for the benefit of the Organization for Safety, Appliance and Prevention (OSAP), a nonprofit, independent organization providing information and education on infection control and prevention and patient and provider safety in dental care settings worldwide. The information provided is for educational purposes only. It is not intended to replace or substitute for the user's own exercise of their professional judgment. OSAP and the clinicians who assisted in preparing this material, expressly disclaim responsibility, and shall have no liability, for any damages, loss, injury, or liability whatsoever suffered as a result of your reliance on the information contained in this resource.
