### Why Join the Pennsylvania Library Association?

#### Membership Matters Because...

- \* The Pennsylvania Library Association is the only association in PA that advocates for ALL types of libraries. We are your voice in Harrisburg.
- \* We have the only active PA Jobline for both librarians and support staff.
- \* You can connect with other librarians and library lovers who will provide valuable assistance in professional development.
- \* You can attend our annual conference, chapter meetings and workshops all in various places across the state at a discounted price.
- \* Librarians love to share ideas and the more you network and meet other professionals the more your career will thrive!
- \* Professional development and achievement is rewarded by recognizing your fellow librarians who do awesome things by attending award ceremonies.
- \* You can earn scholarships and continuing education credits and grants!
- \* You'll receive updates and lots more information in the PaLa Bulletin.
