Download The PDCA EXPO APP:

1 Download the App. First download the app on the device you're bringing to the EXPO. Go to the App Store and search for PDCA EXPO App. Click download and follow directions for downloading to your device.

Don't have iOS or Android? Skip Step 1 and go straight to Step 3 to verify your account and use the mobile web version of this app.

2 To Create Attendee Profile. If you already have the PDCA Expo App on your device, Open Event and select Menu icon (top left). Select "Log in for more functions" (at top of the screen). Log In – follow prompts. Select "Resend Code" - access your email on the device you will be using at the EXPO. Verify account from this email.

3 Return to your Email. Once the app has finished downloading, open your email again.

Select: Verify Account.

4 Confirm your Verification. App should automatically open. If it does not open - select Open App to complete the verification process.

Note: If you log out of attendee app profile – you must repeat verification steps to gain attendee access again.
