15th ANNUAL MEETING

JUNE 19 - 23, 1984

Lake Louise Inn

Lake Louise, Ontario, Canada

SPR

SOCIETY FOR PSYCHOTHERAPY RESEARCH
an international, multidisciplinary, scientific organization

LAKE LOUISE CONFERENCE

June 19 - 23, 1984

NOTE

The long and short program for this year's meeting includes plenary sessions, workshops, and paper sessions. Plenary sessions focus on topics of interest to the entire membership. Workshops are intended for intensive discussion of issues and methods in a restricted domain of research. In workshops, leaders will begin by making a brief presentation of their work but most of the workshop will be devoted to group discussion of research issues. Therefore, it is expected that members will select a workshop and remain with it the entire time. In contrast, paper sessions are of the traditional variety which permit moving back and forth to hear specific papers of interest.

POSTER AND BOOK DISPLAY

Posters will be displayed on Friday, June 22nd, 5:30 - 6:30 p.m. Books relevant to psychotherapy research will be displayed. Please bring them with you or have them sent to Roy McKenzie. All display books will be donated to the University of Calgary Medical Library.

REGISTRATION

Registration fees for all participants include a book of abstracts which will be available at the meeting and the Friday night barbeque. The registration fee is \$60 (Canadian) for members, \$40 for significant others, and \$70 (Canadian) for nonmembers.

CLOSING

SOCIETY FOR PSYCHOTHERAPY RESEARCH

an international multidisciplinary,
scientific organization

The Society for Psychotherapy Research, founded in 1968 as an independent organization, is dedicated to the scientific study of psychotherapy. Its purpose is to encourage the systematic study of psychological principles underlying personality and behavior changes resulting from psychotherapeutic intervention. Through its annual meeting and related activities, it seeks to encourage informal exchange of information on research in progress, discussion of theoretical and methodological issues, and improved communication among researchers.

Membership is open to persons interested or engaged in the study of psychotherapy irrespective of theoretical orientation, professional affiliation, or philosophical commitment. You may fill out an application blank at the conference registration desk or write to: Michael J. Lambert, Ph.D., Department of Psychology, Brigham Young University, 272 TLRB, Provo, Utah 84602.
