New Member Announcement

Colonial Orthopaedics
is pleased to welcome

John W. Snyder, MD

Dr. John Snyder completed his residency training and fellowship subspecialty training in Interventional Pain Management through the internationally-recognized Department of Physical Medicine and Rehabilitation at Virginia Commonwealth University's Medical College of Virginia.

Dr. Snyder focuses on the non-operative treatment of painful spinal and musculoskeletal disorders. As a result of his training and experience, he is able to offer a comprehensive patient-centered treatment program, including the latest interventional treatments for these conditions. He is board certified by the American Board of Physical Medicine & Rehabilitation in both PM&R as well as pain medicine.
