

# Getting Free Show Tickets

## FREE TICKETS AND HOW TO GET THEM

Each taping has specific rules not only for how to get tickets to the taping, but when you need to show up and what you may or may not bring with you. Note that info is subject to change at any time so use the shows website as the official resource not what is listed here.

If you know of a show with free tickets please add that info onto the document found on the [Official 2017 Red Hat Society Convention: New York, NY](#) page under FILES. If you have trouble editing then add info in comments so it can be added later.
