

Greetings from your 2017 SCC-AAAE Wichita Conference Team!

If you've not already done so, please mark your calendars for April 2 – 5, 2017 for the 2017 South Central Chapter-American Association of Airport Executives Annual Conference in Wichita, Kansas. Just as we did in 2012, we're planning an outstanding conference event for airport agencies, local, state and federal government, and corporate partners. We promise another educational, informative and social experience for airports and affiliates from small to large, from near and far! This will be an excellent opportunity for our industry associates and guests to come and hear about current and relevant industry topics, and socialize with and learn from our neighboring peers.

Our 2017 Conference will be held at the historic Drury Plaza Hotel Broadview in downtown Wichita, 400 West Douglas Avenue, on the banks of the Arkansas River. Special conference rooms rates have been blocked at \$122/night single rate; \$132/night double rate; \$142/night triple rate.

Reservations may be made by either going to <https://www.druryhotels.com/Reservations.aspx?groupno=2279325>, or by calling 1-800-325-0720 and referring to your group number 2279325 or group name South Central Chapter Annual Conference / AAAE.

The Conference will kick-off with the customary welcome reception at 6:30 p.m. on Sunday, April 2. We're planning on our Monday night social event at the Kansas Aviation Museum. We're very excited about this event and looking forward to seeing you in Wichita! So, mark those calendars!
