Breast Fellowship Application

The Southeastern Society of Plastic and Reconstructive Surgeons invites you to apply for the Breast Fellowship.

This Fellowship has been established through an unrestricted educational grant provided by Mentor Worldwide, LLC. The Southeastern Society of Plastic and Reconstructive Surgeons has established a “Breast Fellowship” that began in 2017. This will provide the opportunity for a young fully trained plastic surgeon, either immediately following residency or after some period of practice, to spend six months traveling to several centers of breast surgery excellence, both in the US and abroad, to provide an intense and concentrated learning experience in reconstructive and aesthetic breast surgery. The Society will provide a maximum amount of $30,000.00 for salary and educational components. The fellow would spend a minimum of four weeks and a maximum of eight weeks at each center, and SESPRS would help the individual choose from a list of available centers to best meet his or her educational goals. The chosen fellow would be vetted by our committee. We understand that credentialing issues may mandate that this will be primarily an observational learning experience, but the fellow would be expected to help out in any way that would be legally permissible.
Eligibility

a. Is an Active or Candidate Member of SESPRS and actively engaged in the practice of plastic and reconstructive surgery in one of the following states: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee and Virginia; or in Caribbean countries which are not within the geographical boundaries of any other regional society.

b. Be of high moral and professional character.

2. To be considered for this Fellowship, a surgeon must:

3. The committee will review the application and supporting documentation of each eligible applicant and determine by majority vote the name of the Traveling Breast Fellow.

4. The Committee will accept applications until February 28, 2017. The applicants will then be notified of the committee’s decision.

6. The completed application should be submitted to Susan Russell at srussell@sesprs.org or via fax 435-487-2011. Confirmation will be sent upon receipt.
