Dr. Raymond Lee Worsham Scholarship

This event benefits the Dr. Raymond Lee Worsham scholarship, which provides financial assistance to current Campus Recreation student employees to help further their academic career.

Dr. Raymond “Ray” Worsham was the Intramural Department Director at SFA for 43 years prior to the creation of the Campus Recreation Department. Dr. Worsham was the keystone to the Intramural Department for more than four decades, and his dedication and lasting impact is something that we will celebrate for decades to come with the creation of this scholarship.
