### 21st Century Leaders Summer Programs

#### SHRM-Atlanta Volunteers: Interview

Want to help conduct student interviews for 21st Century Leaders' (2CL) summer programs? We are now recruiting volunteers to help conduct interviews for high schools students from around the state, who are applying for two of the summer leadership institutes provided by our volunteer partner, 21st Century Leaders.

Every year, SHRM-Atlanta leads this volunteer effort on helping select the 240 students who will be accepted into the summer program. We are looking for volunteers to help all day or half-day on Saturday, March 11, 2017. You and another SHRM volunteer will interview and score students in a group style interview.

All interview sessions will be 30-45 minutes each. 21st Century Leaders will then provide all volunteers with information prior to the date, along with directions to the interview site.

#### SHRM-Atlanta Volunteers: Application Review/Scoring

Can't help with the in-person interviews, but still want to volunteer? We are also looking for SHRM-Atlanta volunteers to read and score the written applications for the same summer leadership institutes. You can easily do this remotely or go to the 21CL office in Decatur to read and score the apps.

This volunteer effort starts at the end of January and goes through mid-March, so you can volunteer at any time during this time frame. You can take on as many applications that you have time for, just specific if your availability if it's limited during a certain time frame.

If interested in either option, contact [Eunice Glover](#) to sign up.
