Business Immigration in the ‘Buy American &

Hire American' Era: Strategies for Employers

[Webinar](#)

November 29 | 12:00-1:00pm

The administration has begun to make significant changes to the U.S. immigration system. Employment-based visas and permanent residency applications are under increased scrutiny, adding even more hurdles for employers seeking to attract and retain high-skilled foreign talent. These changes – including a dramatic increase in RFEs, the end of “deference”, and an enhanced focus on compliance -- are the result of a major shift in how immigration policy is being administered behind the scenes. This webinar will help employers **understand and prepare for these fundamental shifts in the immigration landscape**, including proactive steps to mitigate the effect of these changes.

The Gift of Gratitude - 'Tis the Season for the

Little Things

Chapter Meeting

December 12 | 11:00am-1:30pm

As the holidays approach, many of us take the time to acknowledge what we're grateful for. Have you ever considered what gratitude is and why it's so beneficial? Do you want more from your life? More happiness? Better health? Deeper relationships? Increased productivity? Would it surprise you to know that gratitude can help you achieve these things?

Gratitude is about taking the time to acknowledge the good things in our lives and in the world. It is also about acknowledging that others gave us gifts, big and small, to help us achieve the goodness in our lives. Gratitude allows us to celebrate the present and to participate more in life.

BONUS: As our way of showing appreciation for YOU, **each attendee of this Chapter Meeting will receive a gift of gratitude** (such as a book) that will inspire and encourage your professional growth!
