RE: HB 4 Relating to Health

Aloha members of the committee:

We are Cara Heilmann and John Knorek, the Legislative Committee co-chairs for the Society for Human Resource Management – Hawaii Chapter (“SHRM Hawaii”). SHRM Hawaii represents more than 800 human resource professionals in the State of Hawaii.

We are writing to respectfully oppose HB 4, which requires employers to provide a minimum amount of paid sick leave to employees to be used to care for themselves or a family member who is ill or needs medical care. We feel this measure is unduly burdensome for employers and has the potential to cause potential conflicts with paid and unpaid leave requirements.

Human resource professionals are keenly attuned to the needs of employers and employees. We are the frontline professionals responsible for businesses’ most valuable asset: human capital. We truly have our employers’ and employees’ interests at heart. We respectfully oppose this measure because of the implementation challenges and administrative burden it would impose, and for the potential of unintended conflict with other leave laws.

We will continue to review this bill and, if it advances, request to be a part of the dialogue concerning it.

Thank you for the opportunity to testify.
