SHRM Jacksonville’s College Relations Core Leadership Area promotes a mutually beneficial relationship between SHRM Jacksonville HR Professionals and SHRM Student Members.
Quarterly Employer Tours for HR Students

Program Description:

SHRM student members will be offered an opportunity to tour a corporate Human Resources department to gain insight in the field of Human Resources. Students will interact with different position levels and specialties and have the ability to ask questions in a Q&A panel format. At the end of the tours, students will have a greater understanding of the field of Human Resources from a corporate perspective.

Purpose:

• To provide students interested in pursuing a career in Human Resources with first-hand knowledge of a corporate Human Resources Department.
• To expose students to the different specialties and business partners of the Human Resources Department
• To allow SHRM Jacksonville to establish partnerships with major HR departments on the First Coast.

Targeted Audience:

• SHRM Student Chapter members
• SHRM Jacksonville Student members (at-large)

Targeted Start Date:

Fall, 2014

Marketing/Administration Process:

An event will be created on the SHRMJAX website. Students must register to participate. A marketing flyer with the registration link will be distributed to the Chapter Advisors to gain participation. Marketing will also include announcements at the monthly Chapter Meeting, Social media and an e-blast will be sent to student members.
