

INTERNATIONAL RESIDENTIAL CODE FIRE SPRINKLER COALITION

PLEASE TAKE THE FINAL STEP TO DEFEND HOME FIRE SPRINKLERS

ICC final action online voting is ACTIVE NOW, and we need your help to defeat Proposal RB129-16, which would eliminate the International Residential Code (IRC) requirement for new dwellings and townhouses to have fire sprinklers. Although the proposal was rejected by the IRC Code Development Committee in April and by ICC members attending the public comment hearing in October, these actions could be overturned by ICC members in online voting. To ensure that the sprinkler requirement remains in the IRC, it is necessary for ICC voting governmental members to vote against RB129-16 in the online voting process. **THE DEADLINE FOR VOTING IS NOVEMBER 22, 2016.**

The future of residential fire safety in America hinges on winning this vote. Home fire sprinklers represent our best chance of striking at the heart of America's fire problem. We won the home fire sprinkler issue 8 years ago, culminating a 30-year effort, and we've been successful in defending that requirement in the 2009, 2012 and 2015 editions of the IRC. Losing now would set back home fire safety for decades.

TAKE ACTION – VOTE ONLINE IN LESS THAN 5 MINUTES

- 1) **ICC VOTING GOVERNMENTAL MEMBERS ARE ELIGIBLE TO PARTICIPATE IN THIS VOTE.** All governmental employees who completed the required annual validation process prior to September 19th are eligible to vote. Depending on the population served by your agency, the agency may have 4, 8 or 12 eligible voters. Be sure to have all eligible voters cast their votes, which must be done individually by each voter.
- 2) **TO PARTICIPATE IN ONLINE VOTING.** Online voting is NOW OPEN. Votes must be entered prior to November 22, 2016. To vote, go to www.cdpass.com and complete the following steps. If you experience any trouble with the online voting system, contact ICC support at (855) 422-2371.
- 3) **RECOMMENDED VOTES TO SUPPORT RESIDENTIAL FIRE SPRINKLERS.** The following are positions on several proposals recommended by the IRC Fire Sprinkler Coalition to support residential fire sprinklers.

- **RB129-16 – Vote “DISAPPROVE”**
To keep the requirement for new homes to have fire sprinklers in the IRC
- **RB51-16 – Vote “AS SUBMITTED”**
To add a special requirement for stacked duplexes to have fire sprinklers in the IRC (for jurisdictions that do not adopt the main requirement for all homes to have sprinklers)
- **RB69-16 – Vote “AS SUBMITTED”**
To eliminate the option of using standard dimensional lumber as a way to avoid requiring sprinklers or providing a protective membrane for lightweight floor assemblies
- **RB89-16 – Vote “AS SUBMITTED”**
To coordinate the 2018 IRC with the 2018 IBC re. minimum number of “means of escape” for basements of fully-sprinklered homes
- **ADM36-16 – Vote “AS MODIFIED BY PUBLIC COMMENT”**
To coordinate IBC/IRC scoping of sprinkler requirements for care, lodging, live/work uses

How cdpACCESS® works

Collaborate

cdpACCESS® allows you to create code change proposals and public comments and store them in the cloud for easy access and submission. You can also invite colleagues to view, comment and collaborate on your proposals/comments. Once you log in, click on "Proposals," then "Create New Proposal" to begin.

Vote

It is easy to review hearing testimony and vote on code change proposals and public comments in cdpACCESS®. After the Committee Action Hearings, ICC members will be able to view the hearing for those code changes which received an assembly motion and vote on the motions. After the Public Comment Hearings, ICC Governmental Member Voting Representatives and Honorary Members will be able to view the hearings and vote on the Online Governmental Consensus Vote.

Support

Support for cdpACCESS® is just a click or phone call away. View help files and tutorial videos about cdpACCESS® by clicking "Help" at the top of the screen, or contact ICC staff.
