To Whom it May Concern:

The Desert Mountain Chapter of the American Water Works Association (AWWA-DMC) will be hosting an annual Golf Tournament on September 20, 2013 to raise funds for the general scholarship fund. In the past 12 years we have been able to provide \$30,000 in scholarships to students from the Paso Del Norte Region (Las Cruces, El Paso, and Ciudad Juarez). Scholarships are awarded on the basis of merit to students in the engineering and science fields focused on the improvement of our water resources and wastewater management. Our goal is to raise \$10,000 that will be awarded as local scholarships. Any additional proceeds will be donated to the "Water for People" program.

Our membership is composed of engineering, operations, management, and education professionals in the water, wastewater and environmental sciences fields. Together we bring a varied array of expertise to our community and role models to our students. As one of the most solid engineering professional organizations in our region, the AWWA-DMC is self sustained and solely depends on this event to raise funds for our charitable projects.

Please review the enclosed Tournament Announcement and consider sponsoring our event. We are seeking donations to use for raffle prizes and goody bags. We welcome donations in the form of gift cards and products (raffle prizes, water bottles, snacks, promotional items, etc.). Thank you for your time and consideration and we hope to see you there.

If you have any questions, please contact Lourdes Borrego-O'Brien, Tournament Committee Chair at (915) 790-0790 and/or Borrego-o'brien@tankindustry.com.

Best Regards,

Gilbert Trejo, P.E.
