## Patient Experience Week

April 28 – May 2, 2014

### Patient Experience Champion Nomination

During Patient Experience Week, we would like to take the opportunity to celebrate, honor and recognize those who, day-in and day-out, make the most memorable positive patient experiences. There are many people in this organization who go above and beyond for our patients. We want you to tell us their stories. Please nominate them for Patient Experience Champion of the Week. There will be four runner ups and one Patient Experience Champion of the Week.

**Please submit to Geoffrey Simons, either by email, fax, interoffice, or in person, by
