The American Board of Cardiovascular Medicine, Inc., Marriott Heart Foundation, American College of Cardiac Nurse Practitioners, American College of Cardiovascular Nurses, and John Wiley & Sons Partnering to Present This:

CLINICAL CARDIOLOGY BOARD REVIEW COURSE & CERTIFICATION OPPORTUNITY for
Specifically for Nurse Practitioners, Physician Assistants, and Masters Prepared Advanced Clinical Cardiovascular Nurse Specialist and Cardiovascular Nursing Educators; Advanced Practice Nurses Welcome!

September 26-30, 2014
Gaylord National Resort and Convention Center, National Harbor, MD

This Clinical Cardiology Course Provides the Essentials of Evidence-Based Practice for a Host of Cardiac Diseases and Anomalies & Core Competency Certification Testing.
Why select this Clinical Cardiology Board Review Course & Certification Opportunity?

1. The ABCM’s proven History and Success in the Business of Cardiology Education and Certification is Second to None!
2. We deliver Evidence-Based Practice Standards and recommend implementation strategies.
3. We have been Educating all levels of Cardiology Practitioners from Physician to Technician, and have been Developing Certification Examinations for these Cardiac Professionals since 1969; a History Second to None!

The ABCM recognizes that to become one of the best Cardiac Caregivers, one must have strong Intuitive Skills and a Scientific Foundation of knowledge in Physiology, Pathophysiology, Psychology, Sociology, Epidemiology, and Behavioral Science, upon which to develop the “Art of Caring” for Cardiac Patients.

This Course will focus on the Essential Evidence-Based Practice Standards and Core Competencies in Clinical Cardiology, and Provide an Up-Date in Clinical Diagnosis and Treatment options for a host of Cardiac Diseases and Anomalies. Our goal is to assist you in achieving your best in the everyday delivery of Advanced Practice to your Cardiac Patients, and/or to prepare you for the Clinical Cardiovascular Nurse Practitioner or Physician Assistant Board Certification Exams. The CVNE Exams will also be available to approved Cardiovascular Educators.

Whether you are a Nurse Practitioner, a Physician Assistant, Cardiovascular Clinical Nurse Specialist or a Cardiovascular Nursing Educator seeking a Review Course for the CVNP, CVPA, or CVNE Board Certification Examinations, or you simply need a Comprehensive Refresher Course in Evidence-Based Clinical Cardiology, this is the time and place we need to meet!
