Risk Management Workshop is from 8:30 a.m. - 3:30 p.m. Central

TN Laws & Rules Workshop from 3:30 p.m.—5:00 p.m. Central

### Workshop Description

The times they are a changing. The continued dominance of managed care companies over third party reimbursement and the new uncertainty created by the Affordable Care Act in both the private and public sectors have increased the complexity of the legal and regulatory environment faced by psychologists. In this unpredictable environment, the need to avoid adverse disciplinary events remains an important priority and an active risk management strategy is still an essential element of professional practice.

After a brief introduction describing The Trust's Risk Management Philosophy and Strategy, this workshop will focus on three specific topic areas: working with couples and families, working with potentially suicidal clients, and the ethical and legal challenges of developing a professionally and personally appropriate retirement strategy.

The workshop is applicable to psychologists working in all types of settings where health services are provided.

**TN Laws & Rules Workshop will be presented by Pam Auble, Ph.D. for an additional 1.5 Type I Continuing Education Credits sponsored by the Tennessee Psychological Association.**

## Objectives: Risk Management

- Discuss The Trust Risk Management Philosophy, including strategies for identifying high risk situations and managing professional practice risks.
- Identify strategies for managing potential conflicts in conjoint treatment with couples and families.
- Identify risk management strategies in working with children with particular emphasis on the risks associated with divorced or divorcing families.
- Identify essential risk management strategies for assessing and managing outpatient suicide risk.
- Identify “post-vention” strategies for managing risk after a patient suicide.
- Identify “self care” strategies for psychologists who have suffered the loss of a patient to suicide.
- Describe the different professional retirement pathways.
- Identify the advantages and disadvantages of various strategies in planning for your own personal and professional retirement.
- Describe how to effectively and ethically close a professional practice.

## Objectives: TN Law & Rules

- Negotiate regulatory information regarding psychology in the digital age (e.g., telepsychology, online continuing education, practice across state lines).
- Examine the current rules for licensing and compare them to the APA Model Licensing Act
- Update participants on current Rules as they relate to continuing education, record keeping, and release of records
- Identify the types of violations of the licensing law and possible penalties which may result from such violations.

**IMPORTANT NOTICE:** Those who attend the workshop and complete the Trust evaluation form will receive six continuing education credits. Please note that APA CE rules require that we only give credit to those who attend the entire workshop. Those arriving more than 15 minutes after the scheduled start time or leaving before the workshop is completed will not receive CE credits and will not be eligible for the 15% premium discount described below.

## Eligibility for Insurance Premium Discounts:

Workshop completion earns 6 CE credits and eligibility to receive a 15% premium discount on your Trust Sponsored Professional Liability Insurance for your next 2 consecutive policy periods. To obtain CE discounts, submit CE certification from an organization approved by APA to offer CE credit (must have been completed within the previous 15 months) with the insurance application. Discounts cannot be combined and are not applicable to Researcher/ Academician or Student policies. Group policies become eligible for the CE discount when at least 50% of those insured under the group policy submit CE certification. All applications are individually underwritten and submission of CE certification will not guarantee insurance policy issuance or renewal.
