Clinical Instructor, UCAOA (multiple wound closure workshops and clinical lectures)

### **Awards, Honors, Community Involvement:**

Alumni of the Year, RIT RIT Graduate Symposium, Keynote Speaker, Spring 2017 RIT PA Day, Keynote Speaker, October 2017

### **Brief Biography:**

People, Leadership and Education are my passion! Empowering colleagues to perform better as a team is my every day mission. Since graduating 14 years ago from PA school I have had the opportunity to be involved with our profession from the ground up, first serving as a voting member of our House of Delegates to representing specialty practice. My experience with both the clinical and administrative side of medicine has allowed me to become a well-rounded clinician and I look forward to the opportunity to continuing serving my colleagues on the board of the College of Urgent Care Medicine!
