

**Timothy Taylor, MD**  
Medical Director  
Mainstreet Family Urgent Care  
Centre, AL

**Organization Description:**

We are a rural-focused urgent care company in Alabama. We currently have 11 locations, however, will be opening 4 more by the end of 2017. Included in those are 2 Pediatric-focused clinics that are called "KidStreet".

**Previous Positions:**

Emergency Medicine Physician at St. Vincent's Hospital in Birmingham

**Education:**

B.S. from University of Mississippi

M.D. from University of Mississippi School of Medicine

Emergency Medicine residency at University of Arkansas for Medical Sciences

**Previous Involvement with Boards:**

**Prior Contributions to UCAOA and Urgent Care Industry:**

Presenter at the UCAOA Midwest conference in Detroit, MI

**Awards, Honors, Community Involvement:**

Pediatric Critical Care Transport Resident of the Year - Arkansas Children's Hospital

**Brief Biography:**

I am a board-certified Emergency Medicine physician, who helped start an urgent care company. I had very little urgent care experience prior to starting Mainstreet, and have learned a lot in the past 2 years. I have the UCAOA to thank for a lot of that. The first UCAOA convention I attended (Chicago 2015) was an eye opening experience. My passion is figuring out to deliver low cost healthcare to under-served communities, with technology playing an integral role. I also feel the healthcare industry is over-regulated, and I would like to use my position in the UCAOA to lobby for change.
