TAKEAWAYS FROM 2017 URGENT CARE FALL CONFERENCE ATTENDEES

October 28-Last Day

Attended: Various tracks and as a result of what he learned has decided to pursue UCAOA Accreditation

“It’s been exciting at this conference to listen to speakers and the direction that this industry is going. Urgent care is finally getting recognized and there are infinite opportunities for urgent care to pave the way for improved healthcare.”

Dan Surdam, MD
Medical Director, Stitches Acure Care Center
Laramie, WY

Attended: Clinical Sessions

“This conference has been nice to find people who are kindred spirits and passionate about the future of urgent care. I also learned how important accreditation is now and we will be pursuing it.”

Ann Black, MD
Staff Physician in San Antonio, TX serving rural communities

Attended: Occupation Health for the Provider Track

“I do a lot of occ med, but I learned so much more in terms of the resources available. The resources shared in the lectures are going to be invaluable.”

Richard Fleming, MD
Area Medical Director, NextCare Urgent Care
Mesa, AZ
