Logan McCall, MBA, CMPE

Logan McCall is the Chief Executive Officer of ZipClinic which is a multi-state operator of urgent care centers. McCall was formerly Chief Executive Officer of Carolina Quick Care Urgent Care Centers. McCall directed the multi-site operations of the urgent care centers and a separate revenue management operation in North Carolina until their acquisition by a strategic operator in November of 2014.

McCall began his healthcare career developing and marketing diagnostic services for a North Carolina hospital. McCall has been continuously in the urgent care industry since developing a freestanding center in 1994.

McCall also co-founded and held the role of CEO/COO of a regional diagnostic sleep disorder testing operation. While the 7th center was under development, the centers were acquired by the largest sleep disorder testing provider in the United States. Logan is a frequent speaker on Urgent Care and Occupational issues at national conferences and is a member of the Board of Directors and participates on the Communications Committee and the Finance Committee of the Urgent Care Association of America (UCAOA).

Logan achieved the Board Certified Medical Practice Executive (CMPE) designation in the American College of Medical Practice Executives (ACMPE) and earned the Urgent Care Management Certificate from the UCAOA. Logan received a BSBA in Marketing from Western Carolina University and an MBA from East Carolina University. Logan is an active leader in the Boy Scouts of America.
