

Urgent Care Management Certificate

Urgent Care Management Certificate Bundled Courses (updated 8.15.17)

Below are the courses included in the bundle. If you purchase the bundle, these courses will be stored in "My Library". You must review each session and take the 5 question quiz at the end. You must answer 3 out of the 5 questions correctly you will earn UCMC Credit (One Session = One Credit). Some Core Competencies offer more choices in content so the learner has options.
