

USFN Executive Servicer Summit

Hurricane Irma

Update on USFN Executive Servicer Summit event in Naples, beginning October 5th

I am sure you're all aware of the hurricane having made its way through south Florida. We are in the process of speaking with our hotel and with local contacts to assess any damage and/or the need to relocate the meeting. We will be able to communicate more information as soon as we can gather real-time intelligence. At this time, I ask that you give us 24-48 hours to do this and we will then communicate again. Thanks for your patience and support.

Sincerely,
USFN
