

VAHPERD Student Conference  
**Saturday, March 24 at Lynchburg College.**

VAHPERD is sponsoring a Student Conference on **Saturday, March 24 at Lynchburg College**. This will be a great opportunity for your students to meet other HPE future professionals, earn two certifications, learn about job hunting skills (upperclassmen), passing the VCLA writing (underclassmen) and large group games. Lunch and snacks are included and the cost is **\$15**. PRE-REGISTRATION (prior to March 23) IS STRONGLY ENCOURAGED and guarantees that a student will be able to participate in both courses that interest him/her; class size is limited.

Students may select two of three certification/training course options (First Tee Golf\*, QuickStart Tennis - now called NET GENERATION, and instructor certification in First aid/CPR/AED (**documentation of completion of First aid/CPR/AED hands on course is required and should be brought to the training if a student wishes to pursue this option.**))

Students may pay at the door, but will be placed in courses based on space availability. The registration link is: <https://vahperd.site-ym.com/events/EventDetails.aspx?id=1022106> and is active now.

Please forward this email to your students. Questions? Contact **Vonnie Colvin** at [colvinay@longwood.edu](mailto:colvinay@longwood.edu) or Andrew Wymer [awymer@k12albemarle.org](mailto:awymer@k12albemarle.org). **College HPE** faculty are welcome. However, since this conference was initiated by student leaders in VAHPERD for students, it is not open to other professional members. Hope to see you all there.

\* Students completing the First Tee training will have an opportunity to complete a 3-hour on-line course AFTER the Lynchburg training and they are employed. Completing this 3=hr. on-line training will enable their school to receive FREE golf equipment - but again, it does not occur until the student is employed.

**SATURDAY, MARCH 24, 2018  
AT LYNCHBURG COLLEGE**

**VAHPERD** is sponsoring a **Conference**  
for college/university  
**Health & Physical Education Majors**  
(students only)

**Registration begins at 8:30am** Pre-registration is strongly recommended and will guarantee preferred certification options and program concludes at 5:30pm. Lunch provided.

Students select two of the following 3-hour trainings:

-  • US Tennis Association Quick Start Tennis certification
- First Tee Golf certification 
-  • Instructor certification in first aid/CPR/AED from the Emergency Care & Safety Institute  
(Note: to be eligible for instructor course must provide current first aid/CPR/AED cards that included hands on instruction)

Also sessions on VCLA writing or resume writing and interviewing skills and large group games

**Cost: \$ 15 and register**
