

Aaron Lawrence, UAS Technology Director

Woolpert, Inc.

Mr. Lawrence has more than 17 years of GIS and remote sensing experience developing processes for data creation, data exploitation, and information gathering as Woolpert's UAS Technology Director and as a research scientist. He is integral in establishing workflows for data collection utilizing unmanned aircraft systems (UAS) by understanding the technical, governance and logistical aspects of UAS operation.

Justin Klein, President

Klein Agency, LLC

Justin Klein is a frequent speaker on contract language, insurance, risk management, and related business topics for surveyors and engineers in NC, MD, VA, DE and PA. After graduating from Duke University in 1996, he entered the insurance industry and has specialized in design professionals for most of his career. In 2006, Justin became owner and President of the Klein Agency, an agency who specializes only in professional liability and commercial insurance for design professionals.
