APPLICATION
FORM

Virginia Association of Surveyors

The Virginia Association of Surveyors was established in 1948 to promote the interests and professional development of surveyors licensed in the Commonwealth. We accomplish this goal by participating in a wide range of activities, from continuing education and scholarship funding to lobbying efforts in Richmond.

Member Types

REGULAR

Must be licensed in Virginia. Dues include joint membership with NSPS.

AFFILIATE

An individual representing any company or corporation whose business falls into one of the following categories: (1) Selling or manufacturing of surveying equipment or supplies used by the surveyor in their profession; (2) a service company dealing with reproduction or printing or computing or legal work or instrument repair, etc.; or (3) any other category that in the judgment of the Board of Directors of this Association would be beneficial to the advancement of the surveying profession. An affiliate member shall have no vote in the business of this Association, and it shall be understood that this Association will make no endorsement of the products and/or services of any of the affiliate member.

NON-COMMERCIAL AFFILIATE

An organization, group, or institution of higher learning which provides service and/or education beneficial to the surveying profession. The Board of Directors, by a two-thirds vote of those voting, shall approve application under this classification. A Non-Commercial Affiliate member shall have no vote in the business of this Association.

ASSOCIATE MEMBER

Must have successfully completed the first section of the Virginia Surveyor's Exam 3(a). An Associate Member will be terminated upon the issuance of a Section 54.1-400 license.

STUDENT MEMBER

Any student or graduate who is a member of an NSPS Student Chapter is eligible. Each application shall be reviewed by the local Chapter of VAS and submitted to the Board of Directors for approval.

CORRESPONDING MEMBER

A Corresponding Member shall be an individual licensed as a land surveyor in another state who is not licensed as a land surveyor in Virginia. A Corresponding Member shall have no vote in the business of this association.

RETIRED

A retired member shall be a regular member in good standing who has attained the age of 57 and who, in the judgement of the Board of Directors, has retired from the active practice of Land Surveying.

TECHNICAL

A Technical Member is an individual, who has worked under the supervision of a Licensed Surveyor for a minimum of two years, with the intent of making a career in the field of Land Surveying.
