Re: Boyd Graves – Documentary Information Discoverable from Expert Witness

Dear Diane:

After considerable investigation and debate over a two-year period, our committee regrettably advises you that we have been unable to reach agreement on potential changes to rules regarding Documentary Information Discoverable from Expert Witnesses. Rather, we concluded that there would never be a consensus on changes to the existing rules.

On behalf of the entire committee, thank you for the opportunity serve.

Very truly yours,

David P. Corrigan
