The Virginia Counselors Association (VCA) is dedicated to the goal of meeting the needs of Virginia counselors in a variety of work settings. It is a dynamic and active organization, with 1,200+ members, that has been effective in responding to statewide issues and in providing opportunities for professional interaction at the state and local levels.

**VCA's Mission is to ensure that VCA members in all settings will provide best counseling practices that enhance human development and functioning throughout the life span and promote public confidence in the counseling profession.**
