The Washington State Pharmacy Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

In order to receive CE credits, participants must provide the correct NABP e-Profile ID number and their birth month and day (MMDD format). At the end of each CE presentation, participants will be provided with a secret code. Participants must go on-line to submit the secret codes and evaluation for each CE activity attended. The CE credit will then be uploaded to the CPE Monitor and attendance of CE can be tracked through that system.
