1. The Summer Externship program will be offered for 4 or 8 credits. Externship students must attend the Externship Tutorial, and have the option of adding the Civil Rights in the 21st Century Seminar for 2 additional credits.

2. The Civil Rights in the 21st Century Seminar is open to all students, and provides an opportunity for students to satisfy the Research and Legal Analysis Writing Requirement.

3. Students who enroll in the Immigration Law Seminar must also enroll in the Immigration Law Practicum. The Practicum will require a one-week service learning trip to provide pro bono legal services to women and children detained in the Karnes, Texas detention facility.
