

If your company is interested in demonstrating its products or services to professionals in the digital court reporting and transcribing industry, as well as federal and state court decision-makers, you should not miss the 2018 AAERT conference in Providence, RI. Each company booth will consist of a covered and skirted table with two chairs. Additional hotel charges such as shipping, electrical, audio/visual equipment, or internet access will be each vendor's responsibility.

The Vendor Exhibition will begin Thursday at 2:00 p.m. The opening reception will begin at 5:30 p.m. The Vendor Exhibition will continue Friday morning and run through lunch. Exhibition fees include Thursday's opening reception and lunch on Friday, and vendors are welcome and encouraged to continue exhibition activities throughout the entire day.

HOTEL RESERVATIONS

must be made by Wednesday, May 30th, 2018.
